GVR's Mission Statement

*"To provide recreational, social and leisure education opportunities
that enhance the quality of our members' lives."*

"Keeping Current"

We have a wonderful publication available on the web as well as in paper form that is published monthly called "Keeping Current". I encourage each GVR Club to take advantage of this and brag about your club.

1. Articles are due to my attention at karen@gvrec.org on or before the last Friday of each month. I will then reply to the sender upon receipt of the article. If I don't send a reply, it means that I did not receive it and the sender should call me at 625-3440, x216.
2. The deadline for each issue is the last Friday of each month (i.e. September articles are due by July 31st, etc.).

2010 Annual Club Workshop

The date for the 2010 Annual Club Workshop has been scheduled for Friday, January 8, 2010 at 9:00 a.m. Mark your calendars now to attend. The meeting will be held at the auditorium in Desert Hills Social Center. The 2010 club forms will be mailed to all club presidents by mid-December.

Sound & Lighting Needs

Is your club planning a large meeting which involves entertainment? Will you be requiring sound and lighting?

If so, please contact Shelly Freeman to arrange for technical assistance. Shelly can be reached at 625-3440, x219, shellyf@gvrec.org.

Where's Ginny and Who's Karen?

Ginny Bilbrey is still here at GVR working diligently with our executive director, Anndrea Blackshear and with our GVR Board of Directors. That keeps her very busy to say the least.

As for Karen, I have been with GVR the past six years as a supervisor involved with a variety of recreation programs including special events, dances, movies, concert series and community events. I now have the opportunity to work with the many GVR clubs that I have known about but never had the opportunity to spend time with. I am looking forward to attending your socials and getting to know your club members on a more personal level. I can be reached at 625-3440, x216 or e-mail Karen@gvrec.org. I look forward to talking and meeting with you.

3. Articles should not be longer than 250 words.
 4. Pictures are welcomed but not guaranteed! Everything is based on space availability. And, there is no guarantee that the photo will be placed on a page that is printed in color.
 5. Only one article per club each month.
 6. Feel free to submit your articles in advance so that we can advertise your club activities.

STORAGE CHALLENGES

As you may be aware, storage space is limited at GVR centers. With over 60 GVR sponsored clubs, we have to determine how to best serve our club members. It has been brought to our attention there are some safety concerns that need to be addressed: storage units not secured to the walls, items stored in fire lanes or electric transformer rooms, on top of cabinets, etc.

We have also observed that a number of non-GVR groups, HOA's and three month rentals are taking up valuable storage space, and we will be asking those groups to remove those items.

We are notifying clubs, that due to limited space; we are requesting that the storage unit assigned to them be used for club items such as: playing cards, poker chips, pencils, note pads and heavy, regularly used equipment. We are also asking the clubs to refrain from storing the following items: food, candy, cups, napkins, plates, tablecloths, decorations, records or meeting notes.

Please realize that storage is limited and by organizing storage needs of clubs, we will be better able to manage the process and maintain the safety of our facilities.
