

# **GVR COURSE PROPOSAL DEADLINES**

As GVR will be printing all brochures and catalogs in house, our printing schedules for this year have be drastically advanced in order to complete all projects. Therefore; the deadlines for course proposals for Summer, Fall and Winter catalogs are much earlier than in previous years. When submitting proposals for Summer session you may also include Fall and Winter proposals. Also, in order to decrease the size of the class catalogs we are requesting that instructors **limit the class descriptions to 80 words.**

SUMMER SESSION (May – September)

FALL SESSION (October – December)

WINTER SESSION (January – April)
