

Green Valley Recreation - Course Proposal

Submission of a proposal does not automatically constitute an agreement between a contract instructor and Green Valley Recreation. If your course is approved, you will receive a course agreement in the mail informing you of your schedule.

New and recurring course instructors: Please fill in each section completely. Incomplete forms may be rejected or cause a delay in scheduling.

*indicates further explanation of terms are on the back

Instructor Information

Instructor Name: _____ Phone: _____

Address: _____

Email: _____ Cell Phone: _____

Number of Classes (per course): _____

How often would you like to offer this course (per session): _____

Administrative Use Only: _____ CR# ___CT ___NTs ___W9 ___HB ___KC ___CC ___SL ___ER

Instructor Information-

Please note: Paychecks are mailed to the address submitted on the W9 form. If you have an alternative mailing address GVR needs to be aware of please submit these to the course supervisor as soon as possible.

Course Information-

A **supply list** is handed out to students upon registration if there are items a student needs to purchase or bring to class with them by the first class. *SUPPLY LISTS NEED TO BE SUBMITTED IN AN ELECTRONIC FORMAT.*

The **course fee** refers to what you are charging and what the student is paying for the course.

A **material fee** may be required if you will be supplying materials for the course and you require reimbursement.

The **course description** is what will be placed in course publications. The course description essentially communicates to prospective students what they can expect from the course. It is a summary of what you are offering. **Please limit descriptions to less than 110 words.** Any descriptions that go beyond 110 will be edited due to space limitations.

If you have taught this course before with GVR, and the description will not be changing, then please write SAME in the space provided.

Schedule Requests-

Your course will be scheduled based on facility availability. By submitting alternate dates and times GVR can find the best facility to meet your needs. Please list all of the options you are available for.

The **type of facility or set-up** that is required is based on what type of course it is. If it is an art course, you may need a sink. If your course is in lecture format, then you may request a white board or overhead projector. Please communicate all of your needs so that we can look into accommodating your request. Last minute requests cannot be guaranteed due to equipment availability and/or custodial support (each satellite center has a TV and a VCR for your use).

If there is no space available at a major social center there may be space available at a satellite center. These centers do not have full time custodians to help with setting up and taking down equipment used (ex: tables, chairs, etc.) **If you are unable to do your own set up and take down please communicate this at the time you submit the proposal.** The satellite centers include: Madera Vista, Casa Paloma I and II, Abrego North, Abrego South and Continental Vistas.

If you already have a room or center in mind, please request this.
