## GVR FOUNDATION

GVR Foundation is the proud sponsor of the Southern Arizona Senior Games, attracting hundreds of competitors age 50+ from 32 states and Canada and Mexico. On behalf of the Foundation, I salute all of our competitors and especially recognize our medal winners. I also applaud all of our volunteers who make these games possible! Because of the fact that the Foundation is a 501(c)(3), we are able to obtain support from sponsors and grants, which make these great games a reality.

The Foundation is involved in a number of activities that benefit the community. RetireArizona.org is our newest project, which is a website that really tells the story of this great community we call Green Valley. Another relatively new program is SoAZ CultureFest, co-sponsored with the Greater Green Valley Community Foundation and celebrating the rich culture of this area. Additionally, we sponsor a financial aid program for our members who are in need called the Member Assistance Program (MAP). This year we allocated nearly \$20,000 in awards. Although GVR Foundation is a young foundation (founded 2014), we strive to make a difference in the lives of both our community and our GVR members.

I hope to see you all return next year for another great series of competitions.

Sincerely,

Blaine Nisson  
GVRF President

## THANK YOU

As the 2018 Southern Arizona Senior Games come to an end, we'd like to take the time to thank all of the people who helped make it possible. Without the help of volunteers, co-workers, and friends, we simply would not be able to hold this outstanding event. Every event was coordinated by volunteers. GVR office staff worked in the background processing registrations, distributing supplies, and assisting with events whenever called upon, while GVR Maintenance, Landscaping, and Custodial staff made sure every event had the proper equipment, and that all facilities were prepared for action. The games received great coverage from the GVR Camera Club, as well as Quail Creek, KGVY Radio and the Green Valley News. Other valuable partners included Green Valley Fire, Quail Creek Security Patrol, Arizona Rangers, and Continental School. Special thanks go to GVR's Lynda Campbell and GVRF's Connie Griffin for their work in securing sponsors and donations. The new Senior Games logo was designed by Laurie Boyett.

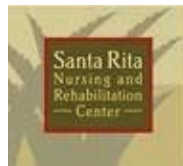

The Senior Games are a great combination of competition and sportsmanship. The cheers for the last finisher are always as loud as the cheers for the first finisher. Congratulations to all who helped make this year's games a success, and congratulations to all who participated and shared their passion and enthusiasm. The 2019 Games will be here before you know it!

Karen & Wayne

The following organizations provided donations to support our games and the participants. Arizona Uniform, Sprouts, Bio-Freeze, Arroyo Gardens, Old Tucson Studios, Hylands Leg Cramps, Acra Construction, Sore-No-More, CVS Pharmacy, Arizona Oncology, North-West Medical, Santa Rita Out-Patient and Skip Francisco State Farm.
