GVR enhances the value of all Green Valley homes including those of non-users as well as our neighbors who are not members. I offer my advocacy on behalf of GVR as a member of the Board of Directors.

I chaired a task force to edit and clarify the Green Valley/Sahuarita Addendum, a legal document that's part of virtually every residential real estate transaction in Green Valley. Among other information, this addendum discloses GVR membership or availability, and expenses associated with membership. I've also been a dedicated volunteer with the Animal League of Green Valley since 2010 as a dog handler/walker.
8. Please summarize your education and career background.
 BA Macalester College, St Paul MN (History/Geography); MA Western Illinois University, Macomb IL (Planning and Geography); MBA University of Minnesota, Minneapolis (Operations Management) I was a licensed Nursing Home and Assisted Living Administrator in Minnesota for 15 years from 1990 to 2005, serving a number of rural and urban care centers. I've been a licensed real estate agent in the State of Arizona since 2005 and have lived and worked full-time in Green Valley since 2010.
9. Briefly explain how your education and/or previous career experiences will be beneficial to you as a member of the Board of Directors.
 I worked for many years with older adults, whose ranks I've now joined. I respect the accumulated wisdom of this population as well as understand how challenging change can be. To remain relevant, GVR must change to meet the expectations of future members while remaining sensitive to members who joined in years past.
10. What unique personal talents and/or life interests would you bring to the GVR Board of Directors?
 On a daily basis, as a local Realtor and GVR member, I explain the benefits and good value of GVR to prospective buyers, visitors, and colleagues. GVR's greatest value is in its support of home values throughout Green Valley and surrounding communities. I'm strongly committed to a vibrant and thriving GVR.
11. Describe your use of GVR facilities and participation in GVR activities.
 I'm a frequent user of the Casa Paloma 1 pool and spa which is always very clean and in good repair. I'm currently involved in developing a new GVR club for the LGBT & Friends members. My previous work schedule has precluded my regular involvement in other activities, but as I begin moving toward retirement, I expect to utilize more of the activities and facilities of GVR. I routinely show prospective buyers GVR's social centers and satellite facilities.
