

# How to Use the GVR Mobile App

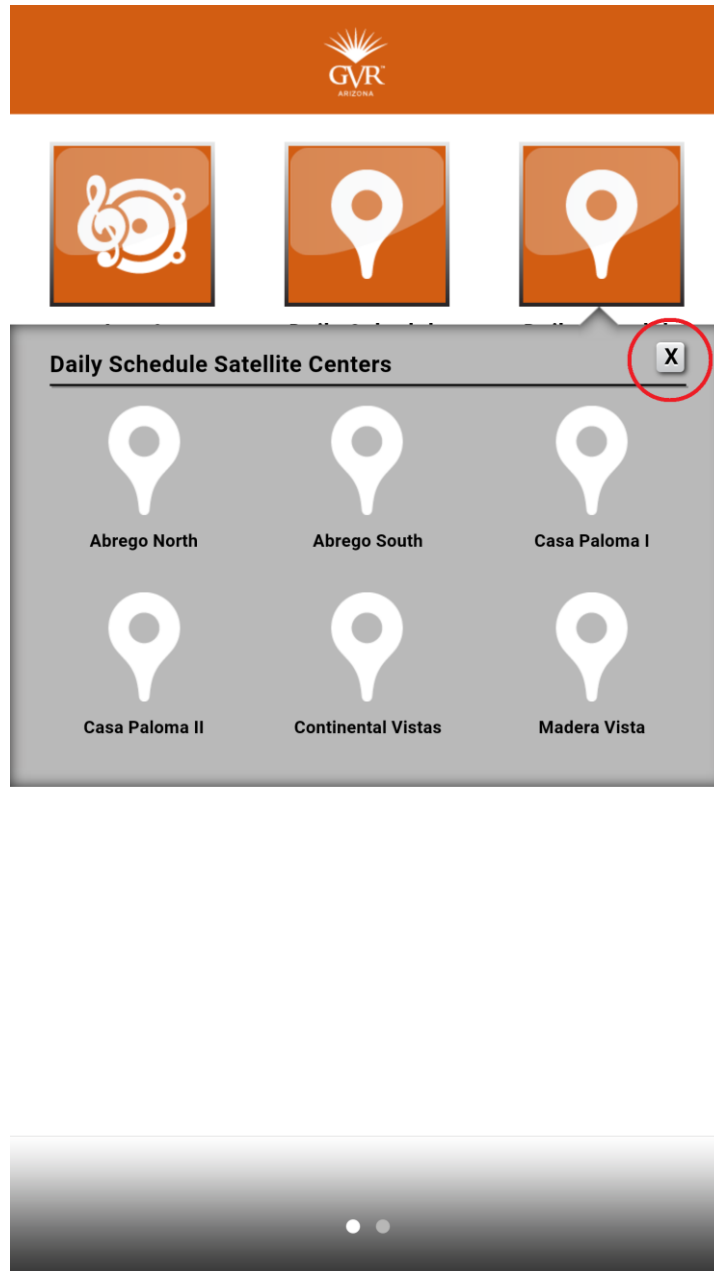

After opening the app, you will be greeted by the main menu.

You can tap an icon to open a sub-menu. In this case, Daily Schedule Satellite Centers' sub-menu.

To close this menu, tap the “X” in the top-right of the sub-menu, as circled below in red.

Back at the main menu, drag your finger from the right to the left to reveal more menu icons.

**Classes**

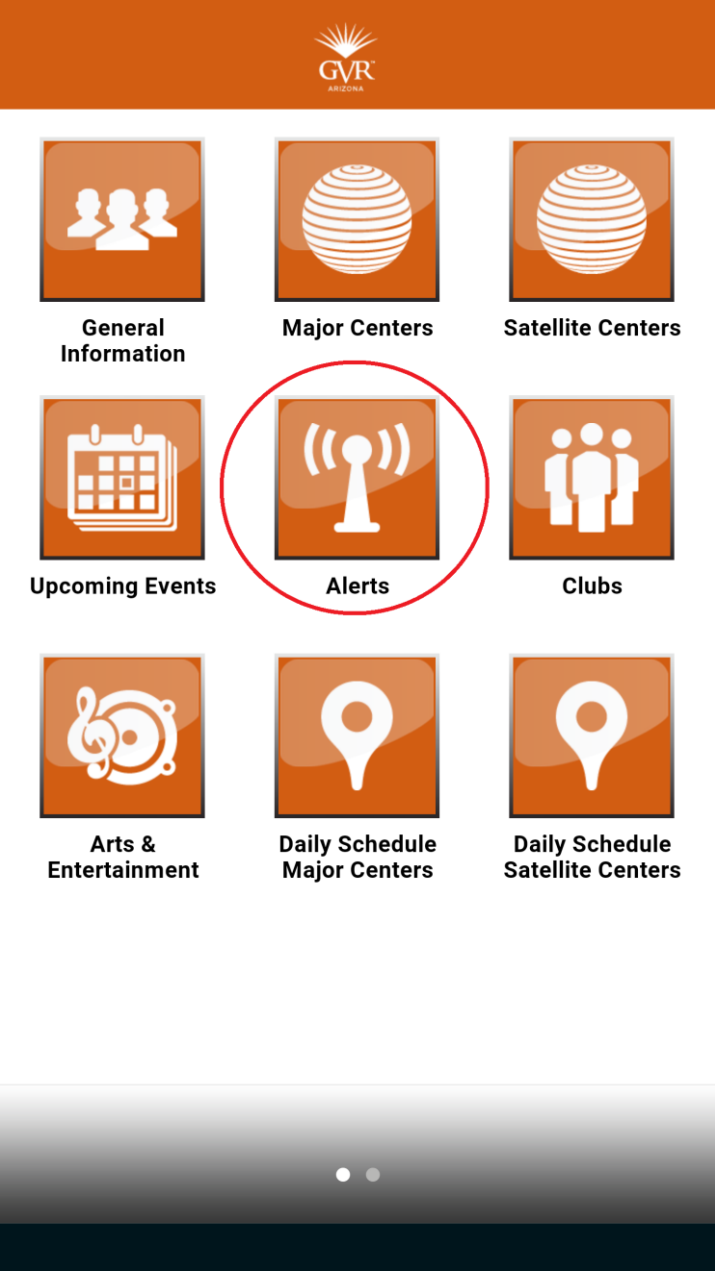

**Preferences**

**Social Media**

Swipe from left-to-right to return to the first page of icons on the main menu and select “Alerts” to review previous alerts (circled in red).

Now that you know how to navigate, explore the app!
