

Pickleball Court Reservations

Several pickleball courts are available for reservation Monday through Saturday from noon until 6:00. During the summer months one court is available for reservations in the morning. All courts are open to all GVR members. During open play times ('skill level' and 'drop in' times) players who have been waiting the longest should be allowed to rotate onto the next available court. Reservations, classes, round robins and other special events may require players to sign up through the website www.gvrpickleball.org. On Sunday, all pickleball courts are open for 'drop in' play all day.

TO RESERVE A COURT:

- go to www.gvrpickleball.org
- click on 'Reserve a Court' and follow online instructions

RESERVATION RULES:

1. All players on the reservation must sign in (at East Center scan your GVR card) before entering the Reserved Court for play
2. All reservations are for 90 minutes. The reservation must be made at least 24 hours in advance but not more than seven days in advance of the reservation date. The member in whose name the reservation is made must be present at the start of the reserved time. If the person in whose name the reservation was made is not present, the reservation is forfeited to members waiting to use a court.
3. If others are waiting to use the reserved court at the end of a 90-minute reservation, play must cease and all players must vacate the court. (If there is any confusion on the exact time, use a cell phone rather than a watch to determine the correct local time.) If no other reservation follows, or if no other players are waiting to use a court, the court reverts to Drop-in Play.
