Change Name of ‘Via Arco Iris’ To ‘GVR West Center Drive’

Overview

The street between GVR’s West Center and the West Center parking lot is a private road maintained by the Green Valley Community Complex Association (GVCCA). GVR’s West Center is the only property with a street address on Via Arco Iris.

The private road Via Arco Iris is often difficult to locate and is spelled differently on some GPS systems (i.e., Via Arcoiris). Emergency medical personnel have been delayed when responding to a 911 call from the performing arts auditorium, GVR Woodworking Club, and the GVR Tennis Center located at GVR’s West Center.

Changing the name of ‘Via Arco Iris’ to ‘GVR West Center Drive’ would make it much easier to locate the West Center and allow emergency medical staff to respond more quickly to 911 calls from the site.

The GVCCA Board of Directors recently voted to endorse changing the name of ‘Via Arco Iris’ to ‘GVR West Center Drive.’

Recommendation

Apply to the U.S. Postal Service and/or Pima County, Arizona (if needed) to have the name of ‘Via Arco Iris’ changed to ‘GVR West Center Drive.’
