

Successor Director Policy Proposal  
Board of Directors  
March 22, 2016

I would like to request that the board consider/discuss a succession system for Board Officers and Standing Committee Chairs. By putting in place a succession plan GVR members can/will be assured that the business of GVR continues as new members join the board. In the past and now all Board Officers were/are elected each new term with very little, and sometimes no, continuity so that we have a new slate of officers who may or, more likely, may not know the necessary background of items that the prior Officer or Committee was working on or had completed. Sometimes without this prior knowledge ground work that has been done could/would be repeated which delays bringing the work to fruition.
