### **RECOMMENDATION FOR CHANGE TO CORPORATE POLICY MANUAL TO ALLOW FOR CLUB GUESTS**

#### **Overview**

GVR was approached by the Social and Dance Clubs requesting winter visitors who are not GVR members be allowed to attend their events. The dance clubs are losing members due in part to the fact that our current guest policy states that guests need to reside outside a 20-mile radius; and must be staying at a GVR member home or local hotel. There are currently 11 GVR social and 4 GVR dance clubs that might benefit from a change in GVR's guest policy.

#### **Recommendation**

Board of Directors amend the Corporate Policy Manual Section VIII, Subsection 2, (B)(6) as follows:

6. Clubs may grant guest privileges, at their discretion, to guests of GVR Members ~~and, if authorized by the Board, other non-GVR Members upon payment of a guest fee to GVR.~~ ~~Clubs may be more restrictive, but not more lenient, than GVR guest policies.~~
