

The accompanying pages are the Financial Reports for December 31, 2018. The four statements

**Statement of Financial Position.**

This is also known as a Balance Sheet or the Statement of Net Assets.

**Statement of Activities**

Also known as an Income and Expense statement. This report shows the types of Income, the categories of expense and the unrealized Investment Market changes for the year to date. The bottom line in this report is the net for all the reserve accounts maintained by GVR.

**Statement of Changes in Net Assets**

This report displays the financial activity of the four reserves that make up the Net Assets of Green Valley Recreation. These reserves are:

**Unrestricted** - These net assets include the Fixed Assets (land, buildings and equipment), undesignated current assets less the current liabilities and deferred revenue items.

**Emergency** - Designated by the Board of Directors, this reserve is held to provide liquidity when needed for operational emergencies.

**Maint - Repair - Replacement** - designated by the Board of Directors, this reserve is the accumulation of assets in support of the Reserve Study which is mandated for Common Interest Realty Associations like Green Valley Recreation. Annual amounts are budgeted and transferred into this reserve for the purposes of the name of this reserve.

**Initiatives** - This reserve is designated by the Board of Directors to help with the funding for new programs that evolve from member interests and demands. Innovation in programming enables GVR to respond to member expectations.

**Investment Portfolios**

This report displays the market values of investments at the beginning of the year, the dollar amounts of changes that occurred from January 1st to the date of the financial statements. The unrealized gain or loss on market value changes is shown on a separate line to result in the market value of investments as of the reporting month end. The investments related to each of the Reserves (Unrestricted and Designated) are included in separate columns.
