3. **Chair Comments**  
Chair Bachelor thanked the entire Committee Members for all their hard work and dedication. She also stated she hoped that the members would reapply for the 2024 Committee.
4. **Business**
  - a. Member Survey on Desert Hills Locker Room/Steam Room and Canoa Hills Gymnasium.
    - CEO Scott Somers reviewed the survey for both facilities. There was somewhat of a surprise that the survey for the Desert Hills Locker Room/Steam Room was not more accepted in the voting and the Canoa Hills Gymnasium was more accepted. Both items need more discussion as there has been a pause put on major projects as a result of lower home sales coming in than expected.
  - b. Club Requests for Type II Capital Improvement Projects.
    - Five or six Type I Capital Improvement Projects have been received by Staff and are not vetted by P&E, so will go forward as appropriate by Staff.
    - Type II Capital Improvement Projects (future/long term capital improvement projects) will be vetted by Staff and P&E in the coming months as the 2025 operating budget and the five-year capital plan are developed.

- The Santa Rita Art League has requested a 3000 sq. ft. to be built on the upper level of the Fiesta Building at Santa Rita Springs along with additional proposals to be discussed. This is a carryover from 2023.
  - The West Center expansion for Woodworking, Lapidary and the Artisans Shop are carried over from 2023.
  - A functional home for Metal Arts carried over from 2023.
- c. Review 2022-23 Year-End Report and Prepare 2023-24 Year-End Report.
- See Attached Report
