

The original NRC definition of the Underserved included 488 GVR members who met one or more of the following criteria: did not drive, used a wheel chair, used an assistive mobility device (e.g. walker, cane, etc), had a caregiver, attended adult day care, and/or needed

The Modified NRC Underserved group was expanded to also include 603 GVR members who were 85 or over years of age and/or had an annual income less than \$25,000/year.

The Disagree with Dues Value Question 4A group includes the 1592 GVR members whose answer to the statement in Question 4A of the survey "I am getting good value for my GVR dues" was either "Somewhat disagree" or "Strongly disagree".
