1. Directors serve for three-year terms. Do you anticipate maintaining your GVR membership and residing in GVR's jurisdiction for the next three years?
 - yes
2. Time commitment can vary significantly depending upon the business before the Board and a Director's committee participation. Typically, the Board and committees hold regular meetings once a month, but additional meetings are often scheduled. Are you able to make this type of time commitment? Please list any time conflicts you may have.
 - M-Fri occasionally, 10am-noon, and noon-4pm based on personal appointments for doctors, for myself and spouse.
3. What best describes your motivation for joining our Board of Directors?
 - Be a steady hand.
4. It is important that you are able to communicate electronically and have access to a computer. On a scale of 1 (novice) to 5 (very experienced), how would you rate your technical skills with computers, teleconferencing, video conferencing, etc.?
 - 4
5. Please list any other boards, committees, task forces or volunteer activities in which you have participated in the last ten years.
 - From the YMCA athletic's, to my Federal Law Enforcement career for fellow officer's that I am retiring from Jan 15, 2021.
6. Briefly explain how your education and/or previous life experiences will be beneficial to you as a Director.
 - College, business owner, employee for Federal Law Enforcement laws for business, IRS tax law, Civil Rights, Freedom of Speech, Whistle Blowing, U.S. Attorney General various districts, FBI, Senate and Representative contact for case work.
7. Describe your use of GVR facilities and participation in GVR activities in the past two years and how your GVR involvement has prepared you to serve on the Board of Directors.
 - Various athletic pursuits, exploring various club activities from tennis, chess, pickle ball, woodworker's, camera club.
8. How would you change GVR over the next 5 years?
 - No way to explain that, because of not knowing fine details hidden from member's along with board member's since many meetings are closed door, invitation only/committee member only meeting's.

9. How would you prioritize and finance the proposed projects being discussed by Planning & Evaluation Committee (P&E)?
- Refer to Q. 8 for the answer first. Then move forward after all the information is on the table to do an analysis based on need/best interest for the GVR Mission.
10. What other projects besides current P&E projects would you propose and how would you prioritize those projects?
- Well, I believe we need to find a way to reach our GVR member's that are shut-in's. Many clubs really do a good job at this, but the term "club" somewhat show's a bias for someone that has a fear of not "fitting in" if they are not like minded. The Woodworker's Club is quite bad at this and not very welcoming.
